

HOUSE

BY SHARBO

House is available in brushed and polished chrome finish. The core material is solid brass.

This range shows a subtlety of touch combining an angular mounting plate contrasting to the soft curves of each functional part.

House finns att få med kromad yta och mattborstad krom. Kärnan består av mässing.

Bakplattans kubistiska form framhäver de funktionella delarnas mjuka och rena linjer.

House ist in den Oberflächen Chrom und Mattchrom erhältlich. Der Kern besteht aus massivem Messing.

Die kubistische Form der Rückplatte hebt bewusst die sanften und funktionellen Teile hervor.
